Summary

Front-end web developer with a strong passion for video games and the advancement of technology. Recently earned a certificate in full stack development from George Washington University, with newly developed skills in JavaScript, CSS, React.js, and responsive web design. Known as a persistent analytical person enthusiastic about developing apps with top-notch quality and responsive design. Applied aspects of UX and agile development in recent projects. I recently worked on a team of five to develop a single-page sports travel app that provides a simple search to find sports along with hotel options close to the stadium in a specific area using Bulma, API's, and mostly JavaScript. Excited to leverage my skills as part of a fast-paced, quality-driven team to build a better web experience while continually learning.

Technical Skills

Languages: HTML, CSS, JavaScript, jQuery, React.js, AJAX, Node js, Bootstrap, Bulma

Projects

Sports Travel | https://github.com/btoney1988/sports_travel |
https://btoney1988.github.io/sports_travel/

- Sports travel app that searches for local events. Based on the events it will show five hotel options that are closest to the event venue.
- Responsible for all JavaScript and AJAX calls, dynamically adding HTML elements so that the correct information is displayed.
- Bulma, JavaScript, CSS, AJAX

Experience

Personal Caretaker   2020 – 2020
Family   Dix Hills, NY
Taking care of my father-in-law who is recovering from a traumatic brain injury to assist during the pandemic. Assisting with daily living, cooking, cleaning, bathing, and feeding.
Key Accomplishments:

- Motivating my father-in-law to work out and try to walk again.
- Passing a coding bootcamp with an A+ while also being there for my family in these dire times.

Education

Bootcamp Certificate: The George Washington University

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, jQuery, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Degree or Certification: Bachelor's, SUNY College at Brockport
